Description

Experience flexibility and quiet performance with our ELL Breeze High pedestal fan. With the option to adjust the height, the fan can be tailored to your needs, ensuring a comfortable indoor climate on warm days.

It is also an elegant addition to the decor with its anthracite grey colour and a simple modern leather strap, making it easy to move.

ELL Breeze High can be easily and quickly adjusted in height with a built-in telescopic pole, allowing you to adjust the height from 98 cm to 118 cm.
